Let's Make It!

CROATIA LICITAR HEARTS

Licitar Hearts are heart-shaped cookies, made with honey, covered with red icing, and decorated with colorful toppings. For this craft, recreate the hearts with craft paper or cardboard, color them red, and then use paints, markers, or glitter glue to make them sparkle.

WHAT YOU WILL NEED:

Craft paper/cardboard/foam board (if you start with a red base, you can skip the painting step)

- Scissors
- Red paint
- Multi-color paints
- Paint brushes
- Colored markers
- Colored glitter glue

INSTRUCTIONS:

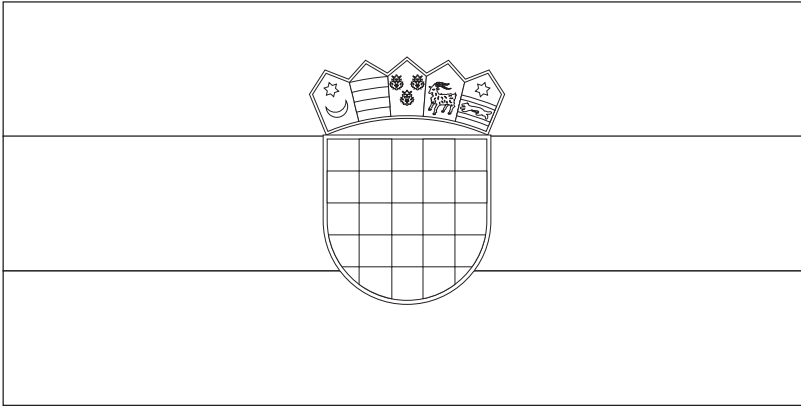

Cut out heart shapes from the paper or card 4–6 inches (10–15 cm) across. If the base isn't red, cover it with red paint and let it dry.

Once dry, use paint, markers, or glitter glue to create shapes on the heart shape. The children can even write their names, or the name of someone they want to give it to, on their hearts.

FINLAND

PORKKANALAATIKKO (CARROT CASSEROLE)

This is a traditional Finnish Christmas side dish that makes 8 servings.

INGREDIENTS:

½ cup (100 g) short- or medium-grain rice
1½ cups (355 ml) milk, divided
½ cup (120 ml) water
1 lb (0.5 kg) carrots, peeled and finely
grated
2 tbsp light syrup

½ tsp ginger, preferably fresh and grated,
but powdered will work
1 large egg, beaten
6 tbsp breadcrumbs
2 tbsp cold butter, cut into small cubes
Salt and white pepper to taste

INSTRUCTIONS:

Prepare rice:

In a medium saucepan, combine the rice with the water and ½ cup (120 ml) of milk. Cover with a lid and bring to a boil. Add the rest of the milk, cover, and simmer until the rice is soft (20–25 minutes). Take rice off the heat and set aside to cool.

Assemble:

Preheat oven to 350 F (180 C). Grease a 3.15-quart (3-liter)/ 12.5 x 8.25-inch (30 x 20-cm) casserole dish. In a large mixing bowl combine the rice with syrup, salt and pepper, and ginger. Mix well. Add carrots and the beaten egg and mix again. Transfer the mixture into the baking dish. Sprinkle the top with the breadcrumbs and then dot the cubes of butter on the top.

Bake:

Put the dish in the middle of the oven and bake for 50 to 55 minutes, or until the top turns darker in color. Take the casserole out of the oven and let it cool down for 10 to 15 minutes.

POLAND

POMIDOR (TOMATO)

In a group of children, one person is the questioner. The questioner asks questions, one by one, to the other children. The questions can be silly or serious but must always be answered by “tomato.”

The goal is to make the participants laugh. If they do, they must forfeit an item they are wearing or carrying, e.g., a shoe, sock, pencil, hair clip. At the end of the game, the children who lost items must perform a task to win them back: for example, singing a verse of a silly song, counting backwards from 10, jumping for 15 seconds, or making animal sounds.
